No one can duplicate the vital ingredient that sets Marantz stereo apart from the others. Its true musical sound. You experience that sound more completely with the Marantz HD-88 Speaker System. A speaker specifically designed to deliver the finest sound - with every type of music.

The Marantz HD-88 has the exclusive feature Vari-Qe-a high density foam plug. Plug in, the system is "air suspension"-ideal for movie theme albums, Symphonics, Jazz, Folk, Country, Pull the plug and the system is "ported" That brings you the gutsiest low end for today's electronic rock.
